Maximilian Schiersch

Maximilian advises on complex construction and real estate projects. His focus is on contract drafting and contract management; he also represents clients before state courts and in arbitration proceedings. Another focus of his work is legal issues relating to the healthcare sector and renewable energies in the broadest sense. In addition, he advises on property purchases and sales and provides advice on tenancy law issues.

Curriculum vitae

- Studied law at Ludwig Maximilian University in Munich and the University of Gothenburg, 2016 to 2022
- Research assistant at a major international law firm in the field of energy law, 2022 to 2023
- Legal clerkship at the Berlin Court of Appeal, including placements at the Federal Ministry for Economic Affairs and Climate Protection and a major international law firm specialising in energy law, 2023 to 2025
- Lawyer at Kapellmann since 2025
