Melanie Lischewski

Melanie advises national and international clients and contractors on all aspects of private construction, plant engineering and architectural law. A key focus of her work is the drafting of construction contracts and advising on projects in the field of renewable energy. In the event of a dispute, she represents clients both in and out of court.

Recent work

- Advising a transmission system operator on several civil engineering lots in connection with the construction of a high-voltage cable project.

Curriculum Vitae

- Studied law at the University of Hamburg, 2017 to 2023
- Legal traineeship at the Hanseatic Higher Regional Court in Hamburg, including placements at an international commercial law firm and an overseas placement at an Indonesian notary's office, 2023 to 2026
- Lawyer at Kapellmann since 2026
