Phil Buro

Wirtschaftsjurist (Univ. Bayreuth)

Phil advises national and international clients and contractors on matters relating to private construction law, plant construction law, architectural law and engineering law. A key focus of his work is advising on projects in the field of renewable energy, in particular offshore wind and solar energy. In the event of a dispute, he represents clients both in and out of court.

Curriculum Vitae

- Studied law at the University of Bayreuth, 2014 to 2020
- Undertook supplementary training in economics at the University of Bayreuth, 2014 to 2020
- Research assistant at the University of Bayreuth (Prof. Dr Michael Grünberger), 2020 to 2023
- Research assistant at a leading international commercial law firm, October 2023 to March 2024
- Legal traineeship in Bayreuth and Hamburg, 2024 to 2026
- Currently pursuing a PhD at the University of Bayreuth in construction contract law
- Since August 2026, solicitor at Kapellmann
